Case No. 22-092

SUMMARY ORDER

NOW, on this 18th day of April 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Danielle Walker, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On January 3, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant's Application, Applicant provided a statement that she had a conviction of "intent to sell and conspiracy of manufacturing meth" which was alleged to have been expunged, and a 2007 DUI.

4. The Board received information regarding a 2004/2005 intent to sell and conspiracy of manufacturing meth offense and a November 2017 DUI offense.

5. On January 10, 2022, the Board mailed Applicant a letter requesting a more detailed Form S-150, as well as certified copies of the court pleadings from each case.

6. On or about January 13 and 14, 2022, the Board received the requested documentation. Applicant's personal statement and court records documented that Applicant was 18 years old at the time of the 2004/2005 felony offense. Applicant did not provide any letters of recommendation

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any felony or misdemeanor of gross immorality or moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Applicant's 2004/2005 felony drug conviction is a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as she did not provide any

letters of reference and the severity and relationship of the offenses to controlled substances is concerning in a pharmacy setting and she does not, therefore, warrant the public trust at this time.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
