Case No. 22-137

SUMMARY ORDER

NOW, on this 23rd day of May 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Kamayah Mack, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On March 7, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following questions on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors;” and “Have you ever been charged with or convicted of (includes plea of guilty or no contest) or charged with a violation of any federal or state drug law(s) or rule(s)

whether or not a sentence was imposed, suspended, or diverted?” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant’s Application, she provided information concerning the following offenses: a 2009 DUI for which Applicant successfully completed diversion; a 2012 property theft conviction; a 2013 possession of marijuana misdemeanor; a 2013 DUI which was dismissed but required placement of an ignition interlock device on Applicant’s vehicle for two years; and a 2017 failure to appear offense which revised the 2014 DUI to a conviction. In addition, Applicant is required to maintain the ignition interlock system in her vehicle through September 2022.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vvv), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant’s criminal offenses are unprofessional conduct likely to endanger the public and are a basis to place Applicant’s registration in a probationary status pursuant to K.S.A. 65-1627(a)(3), as the pattern and practice of substance misuse, the repeated disregard for the law and safety of others, as well as the recentness and ongoing court-imposed requirements suggest

that she is not sufficiently rehabilitated to warrant the public trust without additional oversight and monitoring.

ORDER

- Applicant must continue compliance with the terms of her court requirements;
- Applicant must notify the Board of any change in her court status within 10 days of the change;
