Case No. 19-138

SUMMARY ORDER

NOW on this 3 day of May, 2019, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Joseph Nguyen, (“Applicant”), for his application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

FINDINGS OF FACT

For purposes of this order, the Board’s Executive Secretary makes the following findings of fact:

1. On or about April 3, 2019, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on his application: Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in

any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.

3. Applicant attached a Personal History Form S-150 disclosing that he had been arrested in 2018 for driving while intoxicated. He included court documents, which indicated he received three years of probation for the offense. As conditions of his probation, the court ordered that Applicant complete a Substance Abuse Traffic Offenders Program within 120 days from his court date, complete 40 hours of community service, attend a victim impact panel, and pay his court costs.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any misdemeanor involving moral turpitude and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(ttt), unprofessional conduct means conduct likely to deceive or harm the public.

5. Applicant's misdemeanor conviction for driving while intoxicated is a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as he

is still on probation and therefore, unable to show that he has been sufficiently rehabilitated to warrant the public trust at this time.

6. Applicant's recent arrest and conviction for driving while intoxicated is unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of his court probation;
- Applicant must notify the Board of any change in his court probation status within 10 days of the change;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of his pharmacy technician registration;
- Applicant must obtain the signature of his pharmacist-in-charge (PIC) documenting knowledge of his probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
