Case No. 23-002

SUMMARY ORDER

NOW, on this 13th day of January, 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Kendra Paul, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On October 17, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “No” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. The Board received information regarding an August 2002 maximum speed limits and failure to wear seat belt as required offense; a November 2002 misdemeanor theft offense; a July 2004 domestic battery, intentional bodily harm caused by one family member to another and contempt of court, indirect offense; a November 2006 misdemeanor theft offense; a February 2008 battery, domestic against a family/household member offense; a February 2010 driving while license cancelled/suspended/revoked, misdemeanor offense, and operating a motor vehicle without a valid license or liability insurance offense; an August 2010 misdemeanor theft offense; a July 2011 driving while license cancelled/suspended/revoked offense; a December 2013 driving while a habitual violator offense; a February 2015 driving while a habitual violator offense; and a July 2018 aggravated assault, use of a deadly weapon offense.

4. On October 20, 2022, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

5. On or about November 2, 2022, the Board received a Form S-150 statement from Applicant confirming the offenses, providing two brief letters of recommendation, and including screen shots of court case summaries. Applicant reported being a CNA since 2013 and having a restricted driver's license.

6. On November 2, 2022, the Board sent Applicant a second letter requesting certified copies of the court pleadings from each case.

7. On November 4, 2022, the Board received the requested court documents which confirmed the above offenses and indicated the following:

- a. Applicant has been deemed a habitual violator for driving unlicensed, speeding, and having no insurance;

- b. Applicant pleaded no contest and was found guilty of disorderly conduct in 2013 to dismiss a criminal deprivation of property charge;
- c. Applicant's 2011 battery charge was dismissed;
- d. Applicant pleaded no contest and was found guilty of theft in 2010;
- e. Applicant was found guilty of theft of property under \$500 in 2006; and
- f. Applicant pleaded no contest and was found guilty of shoplifting/concealment in 2002.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of any pharmacist upon a finding that the licensee has obtained, renewed or reinstated, or attempted to obtain, renew or reinstate, a license by false or fraudulent means, including misrepresentation of a material fact.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

6. Applicant's answer of "no" to the disciplinary question(s) on Applicant's Application was a misrepresentation of material fact on an application and a basis to take action against Applicant's Application as a violation of K.S.A. 65-1627(a)(1).

7. Applicant's extensive, repeated, recent, and ongoing offenses are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-YEAR probationary status and payment of a fine to the Board in the amount of \$400. Applicant has 30 days from the date of this order to pay the fine and the probationary pharmacy technician registration shall be issued upon receipt.
