Case No. 22-201

SUMMARY ORDER

NOW, on this 18th day of August, 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Shanikwa Phillips, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. Applicant was previously issued registration 14-104464 by the Board to operate as a pharmacy technician in Kansas, which expired for nonrenewal on October 31, 2021.
2. On April 12, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
3. Applicant answered “No” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This

includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

4. The Board received information regarding the following offenses for Applicant: September 2010 Vehicles, Liability insurance coverage required; March 2012 and May 2012 Driving while license cancelled/suspended/revoked; July 2013 Domestic battery, Knowing rude physical contact w/ family member and Criminal damage to property, without consent < \$1000; and August 2014 Domestic battery, knowing rude physical contact w/ family member.

5. On April 15, 2022, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

6. On May 9, 2022, the Board received an email from Applicant with a brief statement her application response and current work.

7. On May 11, 2022, the Board received an email from Applicant requesting additional time to provide the requested documentation.

8. On or about June 13, 2022, the Board received the requested documentation, which corroborated the above offense history and indicated Applicant completed all court-mandated requirements and was released from probation in April 2014.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy

technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of any pharmacist upon a finding that the licensee has obtained, renewed or reinstated, or attempted to obtain, renew or reinstate, a license by false or fraudulent means, including misrepresentation of a material fact.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

6. Applicant's answer of "no" to the disciplinary question(s) on Applicant's Application was a misrepresentation of material fact on an application and a basis to take action against Applicant's Application as a violation of K.S.A. 65-1627(a)(1). Applicant has a history of misrepresenting her criminal history on Board applications.

7. Applicant's pattern and practice of failure to comply with state and local laws from 2010 to 2014, as well as her repeated misrepresentations are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3). Compliance with laws and regulations is paramount to patient safety in the pharmacy setting and Applicant requires additional oversight and supervision to ensure compliance.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 1-YEAR probationary status and payment of a fine to the Board in the amount of \$200.00.
