Case No. 23-055

**SUMMARY ORDER**

NOW on this 20th day of March 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Sneha Ramanujam, (“Applicant”), for his application for registration as a Kansas pharmacy intern.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

**FINDINGS OF FACT**

For purposes of this order, the Board’s Executive Secretary makes the following findings of fact:

1. On February 1, 2023, the Board received Applicant’s application for registration as a pharmacy intern in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on the application: Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any

state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.

3. In conjunction with Applicant's Application, Applicant attached a form S-150 with her application that disclosed a June 2022 misdemeanor DUI offense for which she had accepted a diversion agreement.

4. On February 6, 2023, the Board mailed Applicant a letter requesting she provide a more detailed explanation regarding these offenses along with certified copies of the court pleadings from each case.

5. On February 15, 2023, the Board mailed the Applicant a modified letter requesting a more detailed explanation regarding these offenses along with certified copies of the court pleadings from each case.

6. On or about March 2, 2023, the Board received the requested documentation.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1676, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy intern on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

4. Applicant's recent June 2022 Driving under influence of alcohol or drugs; Misdemeanor offense is unprofessional conduct and a basis to place Applicant's registration in a

probationary status pursuant to K.S.A. 65-1627(a)(3). Furthermore, since she is still completing her court requirements, she is unable to yet demonstrate she is fully rehabilitated to warrant the public trust without additional supervision.
