Case No. 23-207

SUMMARY ORDER

NOW, on this 4th day of April 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Ashley Ratzloff, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On January 9, 2023, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on Applicant’s Application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant's Application, Applicant submitted an S-150 that disclosed a May 2018 DUI and open container charge for which she completed a diversion.

4. Applicant signed the Applicant Certification on Applicant's Application which provides the following: "I declare under penalty of perjury under the laws of the State of Kansas that I have read and understand this application and that the information provided is true, correct, and complete to the best of my knowledge."

5. The Board received information regarding an August 2011 misdemeanor theft of prop/services offense, and a September 2011 possession of liquor/CMB outside hours of operation offense against Applicant.

6. On January 18, 2023, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

7. On or about February 6, 2023, the Board received the requested documentation for the 2011 offenses, which verified Applicant was charged with these offenses and completed a diversion agreement.

8. On February 6, 2023, the Board emailed the Applicant to request certified court documents for the May 2018 misdemeanor driving under the influence of alcohol or drug and transporting open container offenses.

9. On February 17, 2023, the Board received the requested documentation related to the May 2018 offenses, including a pretrial diversion agreement.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. That pursuant to K.S.A. 65-1663, the Board may take action on an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of any pharmacist upon a finding that the licensee has obtained, renewed or reinstated, or attempted to obtain, renew or reinstate, a license by false or fraudulent means, including misrepresentation of a material fact.

4. Though Applicant answered “yes” to the disciplinary question(s) on Applicant’s Application, Applicant only disclosed and provided information to the Board regarding the 2018 offenses.

5. Applicant specifically certified to the Board that all information contained on Applicant’s Application, including the S-150, was true, correct and complete.

6. Applicant failed to disclose or provide information regarding the 2011 offenses, which was a misrepresentation of material facts on an application and a basis to take action against Applicant’s Application as a violation of K.S.A. 65-1627(a)(1).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant’s Application for issuance of pharmacy technician registration is hereby GRANTED but Applicant is ordered to pay a fine to the Board in the amount of \$100. Applicant has 30 days from the date of this order to pay the fine and the pharmacy technician registration shall be issued upon receipt.
