Case No. 20-268

SUMMARY ORDER

NOW, on this 29th day of October 2020, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Alexis Sanders, ("Applicant"), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On August 3, 2020, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").

2. Applicant answered "Yes" to the following question on her application: "Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors." The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History ("Form S-150").

3. Applicant's Form S-150 included a forthcoming statement and thorough court documentation relating to multiple charges between 2011 and 2016, including but not limited to criminal trespassing, domestic violence, domestic battery, and disorderly conduct. Applicant took full responsibility for her actions and noted that she has since been on a more positive trajectory. Applicant completed probation for the charges of criminal trespassing, domestic battery, and disorderly conduct. However, though the court documents and statement noted that Applicant had been granted diversion for the domestic violence charge, the diversion was terminated upon her breaking of the agreement, and Applicant was found guilty.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any felony or misdemeanor of gross immorality or moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

5. Applicant's domestic violence conviction is a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as she broke her diversion

agreement and so is unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time.

6. Applicant's criminal incidents, both historical in significance and recent relativity, are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
