FINAL AGENCY ORDER

On October 17, 2014, the Kansas Board of Pharmacy (the “Board”) held a hearing on the allegations that Michelle L. Simoneau (“Simoneau”), while acting as a pharmacy technician stole controlled substances from her employer. Simoneau did/did not appear in person. Randall J. Forbes of Frieden, Unrein & Forbes, LLP appeared as the Board’s Disciplinary Counsel. After considering the evidence admitted at the hearing, the Board enters the following final agency order.

I. FINDING OF FACT

1. The Board previously issued Simoneau Kansas Pharmacy Technician registration number 14-14848, which entitled her to engage in the practice of a pharmacy technician in the State of Kansas.

2. On August 16, 2014, Simoneau signed a written statement admitting that on multiple occasions while acting as a pharmacy technician at the Walmart Pharmacy in Goodland, Kansas she stole hydrocodone and phenermine for her own use. As a result of her theft, Simoneau was in unlawful possession of those drugs.

II. CONCLUSIONS OF LAW AND FACT

1. Pursuant to K.S.A. 65-1663(e)(1) the Board may take disciplinary action, including revocation, against the registration of a pharmacy technician on any grounds which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627 and amendments thereto.

2. Pursuant to 65-1627(a)(3), the Board can take disciplinary action against the Kansas license of a pharmacist for unprofessional conduct. Pursuant to K.S.A. 65-1626 (ccc), unprofessional conduct includes the unlawful possession of drugs.

3. As a result of Simoneau's theft of drugs from her employer, she is guilty of the unlawful possession of drugs and the Board can revoke her Kansas pharmacy technician registration.

III. FINAL ORDER

Based upon the evidence introduced at the hearing held October 17, 2014 and the foregoing findings and conclusions, Simoneau's Kansas pharmacy technician registration is hereby REVOKED.
