RE: Case No. 20-283

Dear Mr. Still:

Enclosed you will find a Summary Order issued by the Kansas Board of Pharmacy (Board) in the above-referenced matter. Please read the order in its entirety.

If you disagree with the findings of fact, you have the right to request a hearing. Instructions for filing a written request are included under the "Notices" section of the order. Hearings are held before the full Board during their regularly scheduled quarterly meetings.

According to KSA 65-1627h, the Board is required to recoup the costs of administrative hearings when the decision is adverse to the licensee. These costs may include charges for services rendered by the Board's disciplinary counsel, an administrative law judge, and, if applicable, a court reporter.

If you have any questions, feel free to contact the Board at Pharmacy.Compliance@ks.gov.

Sincerely,

Kansas Board of Pharmacy

Case No. 20-283

SUMMARY ORDER

NOW, on this 3rd day of December 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Keither Still, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On April 24, 2020, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on his application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. On his Form S-150, Applicant briefly disclosed having successfully completed a juvenile diversion and two adult diversions, but did not detail the charges for which the diversions were granted. Applicant also noted “no criminal record / substance abuse issues”.

4. On May 6, 2020, the Board sent an email letter to Applicant’s email address of record requesting a more thorough explanation of the related charges, as well as certified copies of the court pleadings from each case.

5. On May 6, 2020, the Board received from Applicant a statement clarifying that he had served only one diversion as an adult, for an April 2016 possession of marijuana charge.

6. On July 28, 2020, the Board mailed a second letter to Applicant at his address of record requesting any further explanation of charges and certified copies of the court pleadings from any relevant cases.

7. On or about August 21, 2020, the Board received an email from Applicant containing the requested court documentation. Applicant’s court documents detailed that he had successfully completely diversion for the 2016 possession of marijuana offense, and that he had served the juvenile diversion for a traffic misdemeanor.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Due to the nature of the pharmacy environment technicians work in, it is imperative that Applicant's comply with laws related to controlled substances, including possession and/or use of illicit drugs. Applicant's past marijuana offense has the potential to place the public at risk in the pharmacy setting. Additionally, it has only been four years since this offense occurred. Applicant's marijuana possession charge and his oversight in failing to include the nature of his charge on his application, are bases for which to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of his pharmacy technician registration;
- Applicant must obtain the signature of his pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.

NOTICES

Applicant is hereby notified as follows:
