#### CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1627(f)(8), the Board may deny the application of any wholesale distributor upon a finding that the wholesale distributor has failed to furnish to the Board any information legally requested by the Board.

2. Pursuant to K.S.A. 65-1645(a) application for registration or permits under K.S.A. 65-1643, and amendments thereto, shall be made on a form prescribed and furnished by the Board. Applications for registration shall contain such information as may be required by the Board in

accordance with the provisions of K.S.A. 65-1655, and amendments thereto.

3. Pursuant to K.S.A. 65-1643(c), it shall be unlawful for any person to distribute at wholesale any drugs or devices without first obtaining a registration from the Board.

4. Pursuant to K.S.A. 65-1655(a), the Board shall require an applicant for registration as a wholesale distributor or an applicant for renewal of such a registration to provide the following information: (1) the name, full business address and telephone number of the applicant; (2) all trade or business names used by the applicant; (3) addresses, telephone numbers, and the names of contact persons for all facilities used by the applicant for the storage, handling and distribution of prescription drugs; (4) the type of ownership or operation of the applicant; (5) the name of the owner or operator, or both; and (6) such other information as the Board deems appropriate.

5. Applicant failed to provide the following in conjunction with Applicant's Application: authorized agent information, verification of NABP VAWD certification, a list of any other trade/business names used by the owner, a list of other states in which registered, detailed ownership forms including applicant's FEIN, a business description detailing experience with distribution of drugs, and a surety bond.

6. Pursuant to K.S.A. 65-1655(c), the Board may deny an initial application for registration or application for renewal of a registration of a wholesale distributor if the Board determines that the granting of such registration would not be in the public interest.

7. Applicant's failure to provide the Board with the required application information is a basis to deny Applicant's Application pursuant to K.S.A. 65-1645(a) and 65-1655(a), (c), and (f).

8. Applicant failed, after multiple emails and letters from the Board, to provide the lawfully requested application information.

9. Applicant's failure to supply the Board with the requested documentation is a basis

to deny Applicant's Application pursuant to K.S.A. 65-1627(f)(8).

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application is hereby DENIED.
