At all times relevant hereto, the Respondent has held a current license to operate a pharmacy in the State of Kansas.

The Board has received certain information, has investigated and has determined that there are reasonable grounds to believe that the Respondent has operated in a manner that violates the Kansas Pharmacy Act, K.S.A. 65-1626 *et seq.*

2. That on February 19, 2009 a routine inspection was conducted whereby an unregistered technician by the name of Alexander P. Marshall was documented.

3: Mr. Marshall had not renewed his technician registration and his registration had lapsed.

3. That K.S.A. 65-1663 (h) states in part, "it is the responsibility of the supervising pharmacist to determine that the pharmacy technician is in compliance with the applicable rules and regulations of the board."

4. That K.S.A. 1663 (a) states that it shall be unlawful for any person to function as a pharmacy technician in this state unless such person is registered with the Board as a pharmacy technician.
