Case No. 24-261

SUMMARY ORDER OF REVOCATION

NOW on this 23rd day of August, 2024 comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Janelle Smith (“Respondent”).

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order of Revocation in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order:

FINDINGS OF FACT

1. The Board has issued Respondent Pharmacist License Number 1-13421 authorizing Respondent to perform the functions of a pharmacist in the State of Kansas (“Respondent’s Registration”).

2. On April 30, 2024, the Board entered into and accepted a Stipulation and Consent Order with Respondent in Case 24-022 placing Respondent’s Registration on a one-year minimum suspension and imposing requirements on Respondent’s Registration, including but not limited to the following:

- a. “The Respondent, if she has not already done so, shall immediately enter into a Statement of Understanding with the Kansas Pharmacists Association (“KPhA”)

and the Committee on Impaired Pharmacy Practice Program (“CIPP”) which operates the Kansas Pharmacist Recovery Network (“KsPRN”) for a period of no less than five (5) years. Respondent shall fully cooperate with the recommendations and requirements of the persons managing and implementing the evaluation and treatment program recommended and requested by the KsPRN Agreement and the further requirements of the Board.”

3. On July 3, 2024, the Board received notification from KPhA staff that Respondent had decided not to participate in the KsPRN program and had not entered into a Statement of Understanding.

4. On July 15, 2024, the Board sent a letter to Respondent’s mailing address of record reminding Respondent of the Stipulation and Consent Order requirements and requesting Respondent properly enroll in the KsPRN program by July 31, 2024.

5. On August 7, 2024, the Board confirmed with KPhA staff that Respondent had not attempted to enter into a Statement of Understanding with the KsPRN program.

6. To date, the Board has not received any response or any further correspondence from Respondent.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1627(a)(16), the Board may revoke a pharmacist license upon a finding that the licensee has violated or failed to comply with any lawful order or directive of the board.

2. Stipulation and Consent Order 24-022 provided that Respondent was required to enroll in the KsPRN program and comply with all requirements, which became effective on April 30, 2024.

3. To date, Respondent has failed to enter into a Statement of Understanding and has indicated to KPhA staff that Respondent declines participation, in violation of the Stipulation and Consent Order.

4. Respondent's failure to comply with the Stipulation and Consent Order is a basis to revoke Respondent's Registration pursuant to K.S.A. 65-1627(a)(16).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent's Registration is hereby REVOKED.
