Case No. 24-032

**SUMMARY ORDER**

NOW, on this 8th day of March, 2024, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Britne Almire, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On January 29, 2024, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant's Application, Applicant provided an S-150 statement that indicated Applicant committed a misdemeanor disorderly conduct offense in May 2023 resulting in a 6-month non-reporting probation and fine, which was completed in December 2023. Applicant also indicated she was in a toxic relationship that resulted in jail time for a November 2014 domestic violence offense for which she completed a diversion. Applicant also provided certified court documents for each case.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

4. Applicant's a 2014 domestic violence offense and 2023 misdemeanor of disorderly conduct offense are unprofessional conduct likely to cause harm to the public. While the 2014 offense was in a domestic relationship, the more recent 2023 offense could pose a threat to public safety in the pharmacy setting. Additionally, Applicant only recently completed her court-imposed non-reporting probation period and may require additional oversight transitioning into the pharmacy setting. Applicant's offense history and recency of the 2023 offense are a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

## ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 1-YEAR probationary status. The terms of Applicant's probation are as follows:
